

Aussie Locums

Environmental Policy

Aussie Locums is a provider of allied health recruitment services in Australia, we have offices located in Cairns.

Aussie Locums has established an Environmental Management System in line with the AS NZS ISO14001 Standard for environmental management. This Environmental Management Procedure applies to all our operations and services.

Aussie Locums aims to achieve continual environmental improvement through implementing a management system with clear objectives and targets. We will work with staff and other stakeholders in order to minimise the environmental impact of our operations and fully comply with our legal and other requirements.

In particular, we will:

- Set annual targets for environmental performance;
- Monitor performance through an Environmental Aspects and Impacts Register;
- Establish procedures to systematically implement practices that will reduce our impacts on the environment;
- Undertake to maintain accreditation via GreenBiz
- Monitor Green House Gas Emissions
- Undertake an annual review of the environmental management procedure.
